Mr. Stanley Au - Keynote Speaker and Presidential Awardee on MSMEs Day

Mr. Stanley Au, Chairman of Delta Asia Financial Group and President of the Macao SME Association, was invited by the International Council for Small Business (ICSB) as a keynote speaker in the Opening Ceremony of the Micro-, Small and Medium-sized Enterprises (MSMEs) Day. He shared about the ways for SMEs to get over the epidemic and views on the future development of the global economy. Mr. Au also awarded the Presidential Award on the day, commending his great contribution in promoting and facilitating the development of SMEs.

In 2017, the General Assembly of the United Nations responded positively to the recommendation from ICSB, declaring 27th June MSMEs Day in the hope of raising public awareness of their contribution to sustainable development and the global economy. According to the research conducted by ICSB, more than 90 percent of the enterprises around the world are SMEs, which contribute to 70 percent and 50 percent of the employment and GDP respectively.
